

*we are sent on mission at the end of the Mass?*

Having received the Body and Blood of Christ and having contemplated this gift, we stand for the concluding prayer and blessing. The blessing is called down upon us so that we may go forth renewed in zeal and strengthened to resist evil. The Mass is an offering of worship to God but it also enlightens our vocation to share in Christ's mission by bringing his message to the world through lives lived in accord with the Gospel, striving for holiness and spiritual growth. The various dismissals reflect this: "Go and announce the Gospel of the Lord" or "Go in peace, glorifying the Lord by your life." Our Lord, through the priest, gives us our mission to be a true witness of the Gospel. Will we deny his call? *Want to know more? Our Adult Formation offerings cover this and much more!*
