

PARISH-WIDE EMAILS

Our weekly and as-needed emails through Constant Contact provide you with the most timely information on parish activities. We send a weekly email every Friday with time-sensitive information on upcoming events and programs for the coming week. Special announcements/news updates are sent out as needed. We anticipate we will be sending a number of these special announcements over the next weeks as the COVID-19 situation evolves. We also send funeral announcements as needed and other group-specific emails periodically (example: Life Teen, Welcome Alumni, Men's Club, etc.)

If you are not receiving these emails from us, there are important steps you can take to ensure that you are receiving these important updates.

- Check your "Junk" or "Spam" or "Promotions" folders. In the past, we have noticed that certain mail systems route Constant Contact emails to junk, spam, or promotional folders. Please check those folders, and if our emails are there, move them to your primary inbox.
- Subscribe to our emails via our website. You can sign up to receive our emails [here](#). Once you have successfully signed up, you will receive a "Welcome" email from Constant Contact. That is your verification that you will begin receiving our emails.
- Check to see if we have your current email address on file. [E-mail](#) us and we will check to see if your current email is in your parish record. You can also call the parish office at 770-394-3896. We will update your parish record, as needed, within one business day.
