

SAINT JUDE *the* APOSTLE CATHOLIC CHURCH

2020 - 2021 ANNUAL STEWARDSHIP REPORT

Dear Friends,

“We are one body, one body in Christ; and we do not stand alone.”

This song emphasizes the truth that Christ wanted us to live in community with each other. We cannot stand alone in our faith. Thankfully our parish community has a long history of stability and hospitality to all. Throughout the years, our parish has been the spiritual home to thousands of dedicated parishioners, from welcoming each new birth to laying to rest those who have gone home to our Lord.

I realize full well the impact the pandemic has had on everyone’s lives. Thanks to our financial stability, our parish quickly adapted like no other time in our history. Though not fully over, I believe we can now see the light. And I am proud of our parish for weathering the storm as a community. We could not have kept our doors open without the dedication of the many parishioners who served as Mass volunteers, Sacristans, Eucharistic Ministers, Lectors, traffic directors, and even umbrella holders during those rainy outdoor Masses! We are also grateful to the many parishioners who never wavered in their financial support of our parish. As you will see from this report, though we did experience a slight decrease in our offertory, and though we had extra expenses due to the pandemic, our parish continues to see overall financial stability.

For the balance of the 2021 year and going into 2022, we will invite our ministries to resume activities. Events and meetings may look a little different for a while yet. But we can continue to worship and serve our Lord through our parish. We have continued to baptize and educate our youngest parishioners, welcomed many into the Catholic faith, offered a continuous stream of adult faith classes and studies, celebrated new beginnings through the sacrament of marriage, worshiped our Lord through Eucharistic Adoration, and we continue to offer nine Masses each weekend.

Friends, it is within the community of our parish that our faith is brought to life. And it is within receiving of the Holy Eucharist that we are each brought to eternal life. We cannot stand alone.

So, I ask that you consider what our parish means to you and how our parish has been a spiritual home for you and your family throughout the years. Everyone needs a home - we are your home.

With the help of our patron, Saint Jude, and by following accepted health guidelines, we can be together, and we can continue to *Be the Church* to others.

See you at Mass!

Sincerely in Christ,

Dear Fellow Parishioners,

We are pleased to provide you with the Fiscal Year 2020-2021 Annual Report for the twelve months ending June 30, 2021. This report reflects how your generous contributions allowed us to continue serving our parish and local community despite the continued effects of Covid on our overall campus operations.

Our parish offertory, which is the church's primary source of revenue, was down by 3%. However, total parish revenues increased by \$161,000 due to the combination of your support of the Archbishop's Annual Appeal, which generated a refund to the parish, and the loan forgiveness of the Federal Government's Paycheck Protection Program (PPP) received at the start of the pandemic.

Total expenses were down \$305,000 from the prior year. And while we had some unanticipated expenses due to live streaming indoor Masses and offering outdoor Masses, we also had savings from holding off on major maintenance and capital improvements to the property. Our biggest expense savings were due to the Archdiocese of Atlanta's restructuring of the school subsidy assessment which saved the parish \$226,000 as compared to the prior year. Savings were also realized due to health safety limitations on in-person activities, including the cancellation of various parish-wide social events.

In light of the forgiveness of the PPP loan, savings on the school subsidy assessment, and other net expense savings, overall church operations generated a surplus of about \$808,000. This allowed us to make principal payments of \$352,167 on our parish debt that was originally incurred over 15 years ago and reduce the balance owed to under \$900,000. The remaining surplus will be used to fund delayed major maintenance and capital improvements to the property.

Given the unprecedented times of the past year, we are grateful for the continued financial stability of the parish which is made possible by your dedication and offertory contributions that support our Saint Jude the Apostle parish community.

Sincerely,

Saint Jude the Apostle Parish Finance Council
