

Confirmation Sacramental Records

Sacramental Records Request

- If the Candidate was NOT baptized at Saint Jude, please contact your child's Church of Baptism and ask them for a *Certificate of Baptism with notations*. *We cannot accept copies of original Baptism Certificates - it must be recently dated (printed within the last six months) and have either a notation of First Eucharist and/or "No notations" written on the back showing that your child has not already been Confirmed.* The church where a person comes into the Catholic Church through Baptism, or by a Profession of Faith, becomes the Church of Record for that person.
- In the days after Confirmation, our parish office will inform your child's Church of Baptism that your child was Confirmed. Usually the next time your child will need to request a Baptism Certificate will be for the reception of Holy Matrimony or Holy Orders!
- Please call our parish office with any questions about your Sacramental Record Request for Confirmation at 770-394-3896.
- Upload through our website (you can have the Baptismal Parish do this if they are willing) at www.judeatl.com/confirmationrecords

Or drop off to the parish office Monday through Friday 8:30 am—4:30 pm

Or mail to:
